EVERGREENS

Pinus Strobus (White Pine.) The well known variety. Makes a stately and useful tree. Very picturesque. Very hardy and adaptable. Three to five feet B & B. $1.00 each.

Tsuga Caroliniana (Carolina Hemlock Spruce.) Unique in habit with dark dense foliage. Hardy and a thrifty grower. One of our most beautiful evergreens with drooping branches. Three to five feet B & B, $1.25 each.

Picea Pungens (Colorado Blue Spruce.) The king of all evergreens. Beautiful dark-blue foliage and lofty habits that make it stand out in a class of its own in color and picturesque. Fine for specimens or group plantings. Seedlings for planting 4 to 6 inches, 50 plants for $5.00.
Write for prices on larger sizes.

**Buxus, The Boxwood, Arborescens (Truetree Boxwood)**
Found in the gardens of royalty in the old world, England, France and the Holy Land. Also in all the Colonial homes of America. Long known for its beauty and thrifty growing habits. Beautiful and never out of place. Eight to ten inches $1.00 each.

Buxus, Suffruiticosa (Boxwood.) Hardy and beautiful dwarf evergreen. Grown extensively in all plantings about the homes. Six to eight inches 75 cents each.

**BROAD LEAVED EVERGREENS**

Rhododendron Maximum (Great Rosebay Rhododendron.) Beautiful light pink flowers freely produced in May-June. Large handsome foliage, most effective in masses. Three to six feet, B & B, $1.00 each.

Kalmia Latifolia (American Laurel.) A beautiful native broadleaved evergreen shrub, often attaining the size of a small tree. Its thick waxy leaves are retained the year around, giving a striking effect. The pink and white geometrical shaped buds appear and expand into beautiful white and flesh colored flower cups. Beautiful in group or mass planting. Three to five feet, B & B, $1.00 each.

**SHADE TREES**

Sugar Maple (Acer Saccharum.) Good for the large lawn, but ideal for street planting. Stately native tree, growing to a large size, full and compact leaves of cool green in spring and summer and taking on the orange and scarlet tints with fall. Its sap makes maple syrup.
Three to six feet $1.00 each.

CAROLINA POPLAR. The well known variety; large leaves of dark green. A hardy quick growing tree; does well anywhere. Makes a fine effect when planted along driveways and for a shady lane or background.
Five to eight feet $1.00 each.

AZALEA. A thrifty growing shrub with dark green leaves, erect in habit with pink and yellow flowers in early spring. Early blooming. Hardy and thrifty growing shrub. Used in foundation and mass planting. A well known shrub. Three to six feet $1.00 each.

**FERNS**

CINNAMON FERN. A thrifty growing plant with
dense erect leaves, dark green foliage. For rock gardens, pots, lawn and porch plantings. Each $1.00 per plant.

CHRISTMAS FERN. Dark leaved fern of thrifty growing habits. Foliage dark green with pink berries. Makes an ideal inside or porch plant. In great demand everywhere. Each $1.00 per plant.
